

Alan Kent, Simple Steps to Creating Complicated Roofs

Alan Kent received a Bachelor's of Industrial Arts degree with a major in Architectural Design and Drafting from Sam Houston State University in 1971. While teaching at Texas A&M, he earned a Masters of Industrial Education degree with a major in Engineering Design Graphics in 1976. Alan is recognized as a certified Professional Building Designer by the American Institute of Building Design (AIBD) and the National Council of Building Designer Certification (NCBDC). Currently Alan serves as the Internal Vice President of the AIBD.

Kent & Kent is an award-winning Residential Design firm, which has operated in Houston since 1980. In addition to designing homes for new construction and remodeling on urban home sites, Kent & Kent has extensive experience in designing beach homes, lake homes, golf course homes, and country homes. Kent & Kent, Inc. is owned by the husband and wife team of Alan and Donna Kent.
